

Alfie the Elf

*Alfie the Elf was Santa's helper
Alfie the elf just loved to try
But when he worked for dear old Santa,
Alfie the elf would always cry:*

Ohh! *When he stubbed his toe.*

Umm! *When he hammered his thumb.*

Gee! *When he bumped his knee.*

Boy!! *When he broke a toy.*

*Alfie the elf was so discouraged
"Help me please, Santa," he did cry.
So Santa got Alfie brand new glasses
Alfie the elf no more did cry.*

Ohh! *When he stubbed his toe.*

Umm! *When he hammered his thumb.*

Gee! *When he bumped his knee.*

Boy!! *When he broke a toy.*
